### from the chairman

As I am sure most of you know, Mike Dale resigned as Treasurer in March this year. At the last Management Committee meeting the appointment of Martin Gillie as his replacement until the AGM in November was ratified and my thanks must go to him for agreeing to do this.

At a meeting of the Finance Committee headed by Martin and after a thorough debate, it was unanimously recommended (and subsequently unanimously approved by the Management Committee) that we did not pursue any change in the membership year as no practical advantage could be seen in doing this. Consequently the "straw poll" about the matter as advertised in the last LINKS will not now take place.

Last autumn the Management Committee agreed to allow access in soft spikes to the bar from the patio during the summer months and this was initiated on 28 March a little earlier than anticipated as the weather was so good and members were already using the patio. Since then a number of adverse comments have been received from members without any specific reason except that it goes against tradition and offends the current dress code. We have a superb patio with lovely views over the golf course and the Management Committee feels that members and visitors alike should be able to enjoy the ambience with a drink in their hands and consequently the decision to allow access to the bar in soft spikes has their continued support despite the few adverse comments that have been received. However I must emphasise that this is a trial only and access will not be allowed in wet or dirty golf shoes and it is only for the purpose of getting a drink or food for consumption on the patio. Wearers of spikes will not be allowed to sit in the clubhouse and the bar staff have been instructed on what is allowed and will enforce it.

The Club's current dress code is also under review and details of the proposed changes will be published shortly. Any changes will need to be ratified by members at the AGM in accordance with the rules.

**John McIlree**  
*Club Captain*

The major event this month has been the Captain's French trip and I would like to start by thanking David Farr for his assistance in putting the whole trip together as well as David Maskery and Mary Panter in the office for their support. I also wish to thank my team of Ray Grainger, John Irving and Roger Gadsby for their enthusiasm in producing the Tour Guide, a document which flew off the shelves and contributed more than €200 for the Captains' Charity, as well as providing successful golfing support to the Captain during the trip. Finally, I have to give special thanks to Kit Neilson and Eddie Laine whose tour fines session with a very generous golfing group also generated a healthy €200 for the Captains Charity. You can read more about the trip elsewhere in this Bulletin.

The other really good news has been the change in the weather. I'm making no predictions for the weeks ahead but we have certainly enjoyed some very warm weather during May. Having these conditions has allowed the course to blossom into its finest colours and it is just looking great! No wonder we have received a wide range of complimentary feedback from so many of our visitors this month.

This is so important as we look forward to June when we have a spectacular series of events including the Triumvirate Trophy, the Seniors Open, the Club Championship and then the Hampshire PGA Strokeplay Championships. Of course, this will undoubtedly set a significant challenge for Steve and his team but I have every confidence that they will rise to this and deliver a course to satisfy the competitors in all these events and continue to enhance the reputation of Alresford in Hampshire and further afield.

Back to May and I would like to take the opportunity to congratulate James Stewart and his team – Les Thorne, Ben Broadbent, Ben Hunter and Grant Thorne – for their 4-1 victory at home on Sunday 27

May against the New Forest Golf Club in the Mail on Sunday KO competition. The team now meets Goodwood away and this may be a tougher nut to crack but the team have earned the right to travel with a justifiable level of confidence.

Finally, 108 members set out on Friday 25 starting at 1pm to tackle the Cross Country Scramble course put together by Jack Moody and Steve Privett and his team. Conditions were excellent with hot sunny weather tempered a little by a brisk cool easterly breeze. This is a fun event and fun was evident throughout a very busy clubhouse. The winning team with a score of 35.8 against a par of 45 were led by Paul Brown with Dave Seager, Richard Thomas and Mike Garton. I already mentioned the breeze and this rather spoiled the Nearest the Pin part of the event by blowing the name sheets from the holders. I have asked around and tried to assess who the winners might have been. I have, to the best of my knowledge, awarded the men's prize but was not able to find a lady. Some of you out there must be aware of the names placed on the sheets so if you can shed any light on this or were expecting the possibility of a prize, please let me know. I want to award the prizes and I will consider any reasonable case!

Don't forget that the Captain's Charity Day is on Sunday 10 June. All members, including 5-day members, will be welcome to participate on the day. A starting sheet is already doing brisk business so make sure you find a partner and make up a 4-ball. The format is that each pair's better ball score will play, in the clubhouse, against the card of Philip Bryden and me in matchplay. The team that loses by the least – or wins by the most – will win a round for two at Hayling and a bottle of champagne each.

Let's hope the good weather continues – enjoy your golf!

**Fiona Corkhill**  
*Ladies' Captain*

The competitive golf season got underway at the beginning of May with the ladies County Centenary Foursomes which was won by Mary Rook and Pat Palmer with 35pts. They will go on to represent the club at the County Finals.

This was followed by the Spring Meeting when we were very fortunate with the weather and played the 18 hole medal round and 9 hole foursomes on the only dry day that week. This year we had scratch prizes for the silver division won by Pat Palmer and for the bronze division won by Helen Marchant. The silver division net prize was won by Fiona Corkhill and the bronze net prize by Cynthia Mariner.

There was further success for Alresford Ladies in Hampshire County Week played at Rowlands Castle in very difficult conditions. Lyn Travers and Pat Palmer qualified for the Challenge Salver matchplay rounds but unfortunately did not progress beyond round one. Becky Scott was defending her County Champion title this year but was also knocked out of the County Championship matchplay in round one. Congratulations on her selection to represent Hampshire Ladies at County Match Week later this month.

Success continues in the Daily Mail Foursomes with a win away at Alton so Annie Beal and Jane Hendry go on to play Stoneham at home.

Claire Gould and Linda Hainsworth will soon be playing the next round of the Knight Cup at Cowes on the Isle of Wight.

The Stoneham Cup team have now played three home matches and one away. They lost away and won at home against Andover and won at

home against Southwood. The recent home loss against a strong Brokenhurst Manor team was very tough with four matches being hard fought and finishing on the 18th and 19th holes.

The North Hants Trophy team of Lynne Cowser, Lyn Travers and Becky Scott had a tough match against Brokenhurst Manor at home on 2 June and won. They are to be congratulated on a great win as Brokenhurst had proved they were a difficult team to beat in the recent Stoneham Cup match.

We finished our home competitions in May with the Mary Anderson Trophy, a greensomes competition drawn with high and low handicap pairs. It was won by Lyn Travers and Cynthia Mariner with 34 pts.

Finally the Ladies Away Day at Crane Valley Golf Club was another great success efficiently run by Gill Male, Carol Middleton and Viv Pain. The winners, Rosie Hallas, Jennifer Miller and Lyn de Mestre, have the challenge of organising next year's outing. An added bonus was the donation of £150 to the Captains Charity by Crane Valley based on over 30 ladies attending the away day. Fines for misbehaviour totalled £33 due to Carol Roe's very witty interpretation of our misdemeanours. Look out for it next year as it is a guaranteed good day out.

Looking ahead we host the Ladies Open on 7 June and have friendly matches against Sandown and Shanklin away and Basingstoke at home. So enjoy your golf and don't forget to give Jane Scott your availability for the friendly matches later in the season.

**Roger Corkhill**  
Vets' Captain

Our busy match season continues. To date we have achieved 6 wins, 4 draws and 7 loses. Without exception we receive glowing praise from visiting clubs for the presentation of the course, the catering and hospitality received from all concerned at Alresford.

So far 56 different Vets have played in our matches, which averages four appearances each. For the particular benefit of our new members I am listing the criteria used to select players and the obligations we expect in return.

**Selection**

Priority to play in an away match having played the home match first.

Expected to play at home having played away first.

In weeks with two matches giving as many as possible a game.

Current form if playing away at a particularly challenging course.

Redressing an imbalance that favours away matches.

Ensuring that everyone has a balance of early, middle and late starts if they play regularly.

Aim to pair players up with different partners as frequently as possible.

**Obligations**

Only sign up for selection if you expect to be available.

Tick acceptance as a player, or reserve, well in advance of the game.

If you need to withdraw please include a phone call to the Captain.

Unacceptable to withdraw giving less than 24 hours notice in favour of an alternative chance to play after our match.

Note your commitment to avoid a failure to turn up. On the day of a match do arrive at least 30 minutes before the Captain tees off.

When you play do encourage your group to keep pace with those in front, pick up if you can't score and let the group behind play through if you are losing ground.

In June we play away to Test Valley, a new fixture that replaces South Winchester in our schedule of matches. I am particularly looking forward to this as I established the Senior Section at Test Valley in 1994 and was Captain there in 1995. Bill Pescod was also a member and last year's Captain was Keith Turner's Best Man!!!!

Our Vets and Over 70's Championships plus Fred White K.O.s are progressing well with a few surprising results. Our thanks to Ken Coburn for his system of presentation which we are trialling this year.

It is pleasing to note that the Seniors Open on Friday 15 June is full. I look forward to participating.

Also in June we have an Over 60's Stableford on Friday 22.

## Club Championship

The end of this month sees the most important competition in our calendar: the Club Championship. The entry sheet has been on the board for a while but there are still some spaces to be filled. There are a total of 60 places for the event and any member wishing to enter must add their name to the list. The first 48 places will be taken from this list in strict handicap order. Any remaining spaces will be filled according to the results in the two championship qualifiers. However, to qualify from these two competitions you must have entered your name on the entry list.

## Men's Invitation

Although it is two months away, it is not too early to mention the Men's Invitation. This is on Sunday 5 August and will take the same form which has been so enjoyable as in previous years. Coffee will be available on arrival, the format for the morning round is American Greensomes over 12 holes (1 to 3, then 7 to 9 on the front half and 10 to 12, then 16 to 18 on the back half). Lunch is provided in the clubhouse followed by a 4BBB competition over 18 holes. After the afternoon round a buffet dinner will be served and the day will conclude with prize giving. The entry sheet for this event will be on the notice board very shortly so that you can let your guests know in plenty of time.

## Polite request

Unfortunately we have received a complaint from some walkers who inadvertently stumbled across a golfer relieving himself in the bushes next to a footpath. Whilst we can not be certain that this was a member of the club may I remind ALL members that the portloo on the 6th tee is accessible twice during your round and unless it is an absolute emergency you should use this facility. If you are unable to do so please make sure that you are not visible to other players and walkers who may take offence from your actions.

The green-staff are working flat-out to keep everything cut in what they call "Mad May". Rapid growth at this time of year makes keeping definition of the fairways and green aprons particularly difficult as it soon disappears after the initial cut.

Generally the greens are in excellent order and now are being cut at their summer height but will remain a little slow until the Poa-annua (meadow) grasses have finished seeding.

Fairways have been treated with weed-killer and fertilizer and with rain forecast for next week, they should be perfect for the rest of the summer. The application of humus to the 1st fairway was undertaken with precision timing! It was spread just before a brief interlude of rain during the recent dry spell, and it was washed in perfectly. There has

been an immediate improvement and preferred lies are no longer required. It is anticipated that the improvement in turf quality will continue and become as good as the 8th where similar treatment was carried out some years ago. Another application is programmed during autumn.

The Jubilee Bank Holiday presented some additional problems in maintaining the course in that the green-staff were due a four-day holiday, however, they all offered to return to work on the Tuesday rather than see the course deteriorate and be poorly presented. We are really fortunate to have such a dedicated team!!

**Laurie Clark**  
*Chairman of Greens*

## social scene

### Sunday Social Golf

The first of our Sunday Social Golf afternoons on 20 May saw seven teams of four play an adjusted Texas Scramble. The winning team was Les Thorne, June Evans, Mandy Overton and Dave Sault.

### Team Golf Record

Although Team Golf run by John White is not normally reported in the e-Bulletin, the evening of 31 May was amazing. Alan Bruce and Mary Panter returned a score of 28 points. Included in this was a *hole-in-one* for Alan on the 2nd! John has been running Team Golf for more than 11 years and the previous record was 25 points. An outstanding effort by Alan and Mary, worthy of many congratulations. The full results are always recorded on the noticeboard.

### Future Events

During June the Social Committee functions are the Bridge Club on 12th, Social Golf on 17th and the Dawn Patrol on 23rd. The Social Golf and Dawn Patrol lists are on the Social Committee noticeboard. Also in June are the Captain's Charity Day on 10th and the Pro's Clubhouse Knock-out on 29th. The Dawn Patrol is exceptionally good for the soul and

Captain John, Vet's Captain Roger, last year's Champion Alan and myself will start off the 1st at 0500 hrs. Three balls will start from 10th. The full English breakfast is excellent for replenishing your energy!

Looking forward to July we have Bridge on 10th, the Club BBQ on 14th and Social Golf the following day. For the BBQ we will have pitching and putting competitions raising money for the Captains' Charity, but the aim of the evening is to get as many members and their friends together as possible for a totally sociable evening. The Social Committee will again be inviting the Greens Staff and Assistant Pros along with their families.

As the ABBA evening was so popular, we are arranging another live music evening on FRIDAY 21 September 2012. "Nearly Diamond" This time it is on a Friday owing to the Club's and the performer's diaries. Put it in your diary – it will be another great live music evening.

Feedback is always welcome -

**Don Meadwell**

The 8th Annual Captain's French Trip took place this year on the 16 and 18 May. Based in the town of Evreux in Normandy, 44 players making up 11 teams participated in the competition spread over three rounds of golf on separate courses. The competition was based on two better-ball pairings playing stableford, the accumulated points deciding the places for the eventual winners.

Wednesday, following the overnight ferry trip, we travelled to the first course at Champ de Bataille, one of the many courses which attract golfers from the UK. In fact, a society from Bournemouth were teeing off when we arrived. We all enjoyed this attractive woodland course, especially on such a beautiful day when the cuckoo was calling – Keith Halls particularly liked that – and the red squirrels were on view. At the end of the day, the Chairman's team, and that of the Captain, were tied in the lead. Early days, of course, and a night out ahead in Evruex.

Thursday turned out to be another sunny day and we set off to the Golf du Vaudreuill for the second day of competition. The course was fairly flat but a most picturesque site, ringed by many houses in the classic half-timbered Normandy style. Many of these properties were original and were mixed in with other modern developments in the same style. The clubhouse itself was a fine example and gave great views across the course, especially the "water holes" where one of the 'nearest the pin' holes presented an interesting challenge. Jim Bulloch and Dave Fox produced what was to be the high-scoring round of the whole event with 46 points and that placed them in first place after two rounds. The Captain's team were quietly tucked in, one point behind, with the Chairman's team another 3 points behind.

*Eddie tells a joke with Kit*

On Friday, a slightly longer journey took us to the Golf du Beuzeval but positioned us nicely for our journey home. Set in a country park adjacent to the Chateau de Beuzeval, the early holes proved quite tight but then a couple of steep holes led to an elevated middle section with wonderful views of the local countryside. The final hole presented its own challenge and a number of cards suffered here, including the Captain's! Steady golf from the 'Saturday Rabble' gave them the overall first place, the Captain's team secured 2nd and Fiona's 'Lady Captain' team finished in 3rd.

The teams and their final scores are shown below for all the tour party, the first four teams being rewarded with vouchers for a team of four to play at selected courses at home including Littlehampton, West Byfleet, Corhampton and Newbury & Crookham. Various other prizes were awarded for nearest the pins and also for the Champagne Moment of each day when the particular woes of a selected individual member of the tour were exposed for all to hear!

*Winning Team Jim, Kit, Jon and David with Captain John*

*3rd place Roger, Fiona, Don and Ann with Captain John*

*4th place Keith, Mick, Peter and Richard with Captain John*

*Irv the tourist*

Following the prize-giving, Kit Neilson and Eddie Laine conducted a superb fines session, delighting everybody whilst relieving most of them of their few remaining Euros. In fact, we learn from the Captain, that these Euros were not so few in number as the takings from this session amounted to a very impressive €200. Add to this the entirely voluntary

purchase of the tour guide on the ferry over which reached €220, as well as the remains of several teams' kitties, and it appears that the Captains' Charity will benefit to a sum very close to £400. An extremely generous tour party indeed for which the Captains are extremely grateful!

The trip was enjoyed by all and we await with interest the announcement of the Vice-Captain's tour arrangements for 2013.

The winners of the 100 Club draw in May were:

£100 - Gil Francis

£50 - Dennis Jones

£32 - Tom Middleton

£32 - Tony Marshall

£32 - Trevor Nice

£32 - Tim Chandler

Congratulations to the winners.  
The next draw will take place in  
the week beginning 4 June.
