As our 2017 season progresses we have seen the many improvements to Alresford Golf Course showing how well the original plan was conceived and how expertly those plans have been put into place by our team of professional green keepers. Credit to all those who toil away in the background and our heartfelt thanks are due for producing a really splendid course. In my view one of the best in Hampshire.

BTW...

This splendid vehicle was spotted in the 'Professional' car parking space. We assume that it belongs to Malcolm or to Jane. If not, then it was a Pretty Porsche Show!

Halfway Refreshments.

The 3-month trial commenced on Saturday, 20th May and will operate over weekends but NOT the Club Championships weekend (24/25 June).

Members will be permitted to contact the Kitchen via a mobile telephone from the 8th Tee and place an order from a limited menu which will be displayed at this point. Orders will be 'cash sales' only and will be delivered to the 10th tee where there will be a picnic table and bin provided. Payment must be made at this stage and the food must be consumed at the 10th Tee.

Should a group order food and there is a group playing immediately behind them not ordering food, then the first group MUST permit the following group to play through.

It should be stressed that this is a trial only at this stage and we will be monitoring usage and any effects that this has on 'pace of play' and litter on the course.

Please now also be aware that the Kitchen is open on Saturdays and Sundays from 9.30am

Firstly, may I thank all 47 of you who came to Shropshire on my away trip. It seemed to go well despite some difficulties with the shorter (Sapphire) course! Particular thanks are due to Brian and Mandy Overton for looking after the golfing aspects of the trip and Andrew and Sarah Thorne for lending a hand.

Andrew Frearson
Club Captain

Len Lochrie, Darren Boreham, Andrew Frearson, Geoff Jenkins, John Goddard.

Lots of other activity this month.

Carol Roe, Mike Battison, Gill and Simon Freemantle represented the club at the regional England Golf team golf finals at Worthing Golf Club on May 7th. They had competed well in last season's mixed tournaments to earn their place. The team from Alresford finished 8th, just 2 points outside the top six who go on to qualify for the national finals in August. It was a good effort in a distinguished field of golf clubs from the south of England. Congratulations to you all.

Our Gales Hockley team, under the leadership of Charlie House, took Hartley Wintney apart at Alresford, beating them 8-1. A good start, though Charlie tells me the next match is likely to be Hayling away which might bring a different story!

Our Kindred Cup team played away at Shanklin and Sandown and lost a very close match 3-2.

Our County 7's team, led by Grant Thorne, had a convincing win at home against Southwick Park, beating them by 5 to 2. Grant's supporting team was:

Karl Evans, Derek Myers, Christian Bottomley, Will Briggs, Robin Irving and Ash Wilmott.

Congratulations on a fine win.

There are many major events at the club during the next few weeks including the Charity Swim by Patricia, Carol and Ian, the Triumvirate Trophy, the Seniors Open which is sporting a record entry this year (well done David), and the Captains Charity Day, which I hope you will all support in your usual generous fashion. Dawn Patrol is on 17th June for all you early risers and the Club Championships take place on 24th and 25th June. Please be sure to support this - the caterers are laying on a BBQ - keep your eyes open for details of the timing of this event so we can have as many supporters as possible to cheer on the incoming players.

Lastly a word on slow play. No-one condones slow play, but where it does appear, we should all be prepared to exercise tolerance - there is little to gain and possibly a lot to lose in bad tempered exchanges.

Have a great golfing summer.

May has been full-on in every respect and I now feel the year is well and truly on the tracks and gathering momentum all the time. Until County Championship week we were lucky with the weather for most events and the course was even beginning to look a little dried out.

The Stoneham Cup team gave Dummer a good run for their money on a very challenging away course but, sadly, lost by a close margin. We look forward to the return leg on home territory at the end of May.

Mandy Overton and Gill Freemantle had a splendid win in their first leg of the Knight Cup, at home against North Hants, winning 5 and 4. Their next round is against Rowlands Castle, again at home.

Despite the number of us who went on the Captain's Away Trip, we were well represented at the HLCGA Championships and, to the delight and excitement of us all, Gill Freemantle won the Bronze Championship – very many congratulations Gill. Kelly Travers also played well and reached the quarter finals. The weather on one day was so atrocious that play had to be abandoned, so well done to all who participated and stayed the course.

We have had mixed results in our Ladies' Friendly Matches this month with a win, a loss and a halved match. In the Mixed Friendly Match against Petersfield we were also competing for the Centenary Salver. This stayed with us last year by default as they were unable to field a team. This year, however, they came with a very strong team determined to win it back in which I am sad to report they succeeded. They did promise, however, to lend it back to us for parading in the haggis on Burns Night if they do not need it themselves for the same evening.

Social golf started this month and, on the second evening which was very well attended, we combined our game with a farewell to Philip. He played alongside different groups over the 9 holes and then joined us for supper. We wish him well in his new position at Hayling Golf Club and he has promised to return from time to time to play here.

The Captain's Away Trip to Shropshire was a great success. Well done Andrew for finding an excellent venue and for organizing such an enjoyable few days of golf and social interaction. I think we were also more fortunate with the weather than those who stayed in Hampshire because we did not get the torrential rain experienced here.

HLCGA held the first of a series of training days for girls at Alresford this month and, having volunteered to help check them in on arrival it was a pleasure for me to see how keen a group they are and how well Malcolm organizes their training. Some of our own juniors were participating and show great promise for the future.

There is much to look forward to in June so do keep an eye on the noticeboard and sign up for competitions/events as they are posted. In particular, please read all the details of the new Championship Weekend and participate and support at whatever level you can. It is important we make it a success this year so that we lay down a good foundation for the future.

Q: A player plays in a knockout match and with his opponents permission, plays an eclectic round at the same time. Is this allowed?

Club Championships

The notices for the Men's and Ladies Club Championships have been posted in the Changing Rooms. The closing date for entry will be 5:00pm on Friday 16th June, and the Start Sheet for Round 1 will be posted on Monday 19th June.

The Men's and Ladies' Championships and associated handicap competitions are being run in the same way as in previous years. However, the decision to trial run both sets of competitions over two days on the same weekend presents some challenges for the organisers. The objectives of the changes are:

- * Attract a larger entry for both competitions.
- * All competitors start from the 1st tee.
- * Playing groups for the 2nd round will be based on gross score in the 1st round.
- * Make the closing stages more of a shared Club event.

While we definitely want a larger entry for both competitions, the total number playing has to be manageable such that play finishes at a reasonable time in the day and there is sufficient time for the organisers to do the draw for round 2 and notify all the competitors. It is for this reason that we've proposed a total field size of 90 for the 36 hole competitions made up of 60 men and 30 ladies. This represents a 20%-30% increase on the numbers participating in previous years. As we don't want to discourage entrants, we intend to be flexible but at some point we do have to draw a line.

Once the last group has handed in their cards on the Saturday, the Men's and Ladies' competition organisers will compile the scores for round 1. The Men's and Ladies' playing groups will be revised separately based on the gross scores from round 1, and then an integrated start sheet will be produced. This start sheet will be emailed to all competitors on Saturday evening. It will be the responsibility of each player to know their start time on Sunday morning. Start times on Sunday will be from 08:00.

Since the competitions are being held over two consecutive days, the Match & Handicap Committee have, with the approval of the Captain's Committee, decided to impose sanctions on players who do not turn up to play on either day. Anyone who, having entered, but subsequently finds they are unable to play on both days must notify the Office by 9:00am on Friday 23rd June. This will give the

Committee at least some time to amend the playing groups and notify all the other competitors. After this time, a player who does not turn up will be excluded from all competitions, knock-outs and matches until 1st August 2017.

Men's Club Championship

The sign-up sheet for the Men's Championship is in the Pro's Shop. Although the entry fee is only £6, all competitors are playing in both the Men's Club Championship and the John Holmes Trophy. Both competitions are stroke play medal with the Championship being a scratch competition and the John Holmes a handicap competition.

On each day of the competition, players should register in the Pro's Shop and collect their score cards; a table of the day's pin positions will also be available. On completion of each round, players should return their completed cards to the Scorer's Table and ensure they have agreed with the scorer that the card is correct before leaving.

Ladies' Club Championship

The sign-up sheet for the Ladies' Championship is in the Ladies' Changing room. The entry fee is £3. In addition to the Ladies' Club Championship which is a stroke play medal competition off scratch, ladies will also compete for the Brenda Hedges Trophy which is a Silver Division handicap competition or the Dorothy Coombs Trophy which is a Bronze Division handicap competition.

The EWGA medal will also be played on Day 1 with the usual divisional prizes. Ladies can sign up to just play 18 holes on Day 1 and they will go out after all the Championship players. (These players will not be included in the Championship numbers)

There will also be a prize for the Best Nett score for round 2 (not in other prizes)

On each day of the competition ladies should register and collect their cards from the front desk where a copy of the day's pin positions will be available. On completion of their round, ladies should return their cards to the 'Scorer's Table' where they will be agreed and checked.

Geoff Procter
Vets' Captain

As the Vet's Captain I have the pleasure of playing at many different clubs, both in our interclub matches, and as a guest. For example in May I was invited to play in the 125-year anniversary event organised by the Seniors Section at Petersfield.

Besides the joy of playing all these different courses, it's great fun to meet and talk with fellow Captains and players from other clubs and exchange views on many things, including golf. So, for this edition of For Info, I thought I would give you some "feedback from the fairways" from my various on course conversations.

Firstly it's nice to know that everybody loves our course at Alresford and, with one or two exceptions, most clubs are heavily oversubscribed with players wanting to enjoy an interclub match against Alresford.

The other thing I have picked up is that several clubs are suffering from golf fatigue and want to reduce the number of matches.

Various thoughts around this theme are being floated, including reducing the number of pairs for each match from 8 to 6. (7 of the 20 clubs we play currently field less than 8 pairs).

Also being considered is to play home and away fixtures on alternate years rather than each year.

Finally, Petersfield announced that they are considering proposing a 3-way competition with selected clubs, rather than having a home and away match with each club. In subsequent years the other two clubs would host the event, thereby reducing the annual match load for each club.

So "feedback from the fairways" suggests next season may incorporate a few changes, but we will not know for sure until the end of this calendar year.

The other thing that was mentioned to me was behaviour of members whilst playing in an away match. Apparently at one Club they had to remind one of their players not to make derogatory comments about their home course and members of staff when they were playing in an away match. To quote a Chinese proverb, "You cannot wrap fire in paper".

Looking forward to the rest of the year, we have 22 Vets matches yet to play and don't forget to invite your guest to the Vets Invitation event on 10 August.

So that's the news from the fairways, enjoy your golf and the fine weather and lets us all spare a thought for those who are not well enough to play golf.

...a look at rules

Fore Info

A. No, Players are not allowed to play match play and a stroke play competition concurrently as the rules of golf differ for each format.

The match will be null & void and the eclectic round would be disqualified.

NEW MEMBERS

Welcome to the following new members who have all joined the club starting during May and June so far; Frances Hart (upgrade to 7 day), Richard Butcher (5 day), Cathi Foale (Academy), Nick Grant and Matthew Ball (Intermediate), Isabel Szmidt (Social extra), We hope that your time at the club will be a long and enjoyable one for all of you.

Welcome also to all the HPLS Corporate members who this month have nominated Alresford as their preferred club within the Police Scheme; Craig Dillon, Dave Ford, Andy Graham, Russell Forder and Phil Parker. We hope that you will enjoy using the club and its facilities and are able to participate in the many social events and competitions we have over the summer.

May I remind all members that we are welcoming new membership enquiries for all categories? If you know any friends or acquaintances who are thinking of joining a club or changing clubs, please do your best to sell them the benefits of Alresford.

SPECIAL MEMBER REFFERAL OFFER

Refer a new 5 or 7 day playing member and receive an EXTRA £50 credit on your bar card. Speak to the Secretary for more information.

MEMBERS GUEST GREEN FEES SPECIAL OFFER

Due to the continued success of this scheme, we will offer the GUEST GREEN FEE DISCOUNT OFFER again in 2017. Over the course of the season bring either 6 guests for £120 or 10 guests for £200. These will be available ONLY from the Secretary in advance (not the pro shop). Please be aware that all 'visits' must be used by 31st December 2017. No refund or extension will be given on unused 'visits'. Normal restrictions apply.

CAPTAINS CHARITY SPONSORED SWIM

On Wednesday 7th June at 6.30am, Patricia Frearson, Ian Swann and Carol Exton will be swimming at St Swithun's School in aid of The Captains Charity, Prostate Cancer UK. They are aiming to swim 160 lengths! A sponsors list will be displayed on the noticeboard at the club from 1st May. Please sponsor them either per length or just to finish! We wish them all good luck.

We are looking for a Gardener to help keep the clubhouse surrounds and entrance, tidy and 'blooming' over the summer. If any member currently has or knows of a reliable Gardener who is interested in a couple of hours a week at the club during the summer, please speak to the Secretary. Thank You.

What a difference a drop of rain makes! Following an unusually dry and cold late March and April, much needed heavy rain has put life and growth back into the course. The fairways are now showing the benefit of the work put in by 30 members of the divot party (see photo). The greens are running true and look superb. The 4th and 12th greens have fully recovered, showing the benefit of plugging plus the pollarding work allowing more sunlight and air. The grass on the greens will soon finish seeding and we will see an increase on the stimp readings.

Divot Party

You will have noticed that the team spent time, while it was raining, on renovating and edging some of the pathways. This made a big difference, as did the work on the seat which surrounds the tree adjacent to the 7th tee.

We had 2 acts of petty nuisance on consecutive Saturdays. Tee markers were removed and greens staff recovered some from the bypass. The following Saturday I was playing in a 3-ball and after my playing partners had driven onto the 12th fairway a group of 5 young boys ran and collected their balls before scarping over the bridge. My ball would have taken more finding! Please be vigilant.

The water fountains remain a problem. The one by the 10th is broken and we are awaiting a replacement part. The one that services the 4th and 15th tees is beyond repair and needs to be rebuilt and relocated. We can't take it down yet as we have blue tits nesting in there! (We also have House Martins in the starters hut.) We would welcome a member volunteer to build a new fountain structure. Anyone interested please see Steve or myself.

We are pleased to welcome trainee Jordon Holt to our greens team. He has settled in well and we wish him success and happiness in his new career.

...from the Secretary

PACE OF PLAY

At Alresford we want everyone to enjoy their golf and this is sometimes impacted by the Pace of Play in both social and competitive golf. As Secretary, I have more negative comments about this subject than any other and feel that we can all help a little in making the game quicker. Some of you will already do some or all of these suggestions but others may find some new ones and you are encouraged to use them next time you are on the course. If we all improve our Pace of Play by 5% then this would equate to a much better experience for us all.

Players – Your Responsibilities

- Very few players admit to being slow players but we can all do our bit to play a little bit faster.
- You are not playing behind yourself so you cannot fully appreciate how your Pace of Play is judged by others.
- The Pace of Play is in the Rules of Golf (Section 1) and also under Rule 6-7. React positively to any suggestion, it is not a personal attack on you but respect the feelings of others and do something about it. Nobody is perfect. Keep Up
- We are not advocating running around the course (this is Speed Golf a new England Golf initiative!) but be aware of who is in front and behind and what formats they are playing. It may be easier for you to identify a foursomes match and allow them to play through rather than rush your own game and feel chased around the course
- If you feel that your group is falling behind and not maintaining the appropriate speed – take responsibility yourself and encourage your group to speed up.
- If you lose a clear hole or the group behind is obviously playing quicker than you, invite them to play through.
- Sometimes, if a number of groups on the course are playing slowly, playing through does not always achieve its objective, but it remains good etiquette and we would encourage all members to do this.

Be ready to play

- Use the time when you are not playing to get ready. Get your glove on, select your club, check yardage and decide what you are doing.
- Try having a maximum of 2 practice swings!
- If every player took 10 seconds off their pre-shot routine the cumulative effect would be significant.

Other tips

- In Stableford play, if you cannot score PICK UP.
- If you are unsure whether your ball is in play from the tee – play a provisional immediately.
- If you are searching for a ball, call the group behind through IMMEDIATELY. Do not wait and take the five minutes searching before doing so.

- Play your next shot before helping others look for a ball.
- Walk directly towards your ball – not as a group of tourists towards every ball.
- If you leave your ball short (ie. Within 24 inches) when putting – exercise the option to put out instead of marking it and taking another go.
- Leave trolleys and bags at the exit point of the green. If you are playing from the opposite side of the green to the exit point, walk around whilst your partners are getting ready to play, making sure you stand still when they are playing their shot.

While all of the guidance above relating to being ready to play, positioning of bags and carts, etc. applies to all golfers regardless of physical limitations, it is important to recognize that golfers may be restricted in how quickly they can play due to their maximum walking speed. This may be particularly relevant to elderly golfers or golfers with disabilities or injuries. There is a fine balance between encouraging play at a good pace and excluding those who simply cannot play at the prescribed pace. Common sense expectations need to be adopted.

Golfers don't often accuse other golfers of being slow players without good reason. Telling another player that they are a slow player will often only occur after a considerable period of frustration having observed that player causing pace of play difficulties and consistently failing to act in accordance with the guidance outlined above. Consequently, if you, on more than one occasion, have been told that you are a slow player it probably means that you are. This does not make you a bad person, and it does not give someone the right to be impolite towards you. However, it does suggest that you should take immediate positive steps to do something about it so that the same accusation is not made again. You can do this by asking for advice from the players you play with on what it is that they believe causes you to be slow. It should then be relatively easy for you to make some minor adjustments to the way you play golf which will make you a quicker player, which will mean you are not negatively impacting on the enjoyment of other players on the course, and which will make you a more enjoyable person to play with.

There is a natural reluctance to tell a fellow golfer that he or she is slow for fear of confrontation or appearing rude. Clubs should foster a culture where feedback is seen to be positive, and golfers welcome that feedback in order to ensure that they can improve their behaviour, routines and pace of play.

The winners of the 100 Club prize draw for June were:

- £100 - Tineke Ribbink
- £50 - Drew Fielden
- £32 - Dudley George
- £32 - Richard Bass
- £32 - Wynne Tufnell
- £32 - Ray Grainger

Congratulations to this month's winners. The next draw will take place in the week beginning 26th June ... look for the list of winners on the Secretary's notice board.

Now the playing season is getting into full swing, remember to reserve Friday 4th August in your diary for the main event of the summer ... the 100 Club Stableford and Evening meal. More details in next month's Fore Info. An event not to be missed!

Not a member of the 100 Club?

The objective of the Alresford Golf Club 100 Club is to raise funds for projects and items requiring capital expenditure that will enhance the Golf Course and/or the Clubhouse. Such projects would generally be considered as 'extras' and not necessarily be within the Club budget. The 100 Club was launched in 1987 to raise funds to augment the Centenary celebrations of the Golf Club in 1990, but at the request of the members, the 100 Club has continued to raise funds for items such as the Information Board and Clock on the 1st tee and the Automatic External Defibrillator in the Entrance Hall.

If you're not a member of the 100 Club, you can become one for as little as £1 per month. Shares in the 100 Club are purchased for £1 per month and there is no limit on the number of shares which can be held. In general, most members have between 1 and 5 shares and pay by monthly standing order. Each share is allocated a number which is entered in the monthly draw. The top prize is £100, with a second prize of £50 and four other prizes of £32. For more information, contact George Clelland on by email or telephone: 01962735008 george.clelland@btinternet.com or call in to the Secretary's office.

Auction of Promises

An Auction of Promises evening is being planned for October this year. The aim of the evening will be to raise funds to support the Captains' charity and a Club project (to be agreed by the Captains). Arrangements for the evening are still in the early planning stages and we are looking for members' help and generosity. Are you able, or know of someone who may be willing, to donate? We are looking for a wide range of promises that can be auctioned on the evening. As an example, Andrew & Patricia Frearson have already secured a week in a luxury villa in Puglia, Italy to be auctioned'. Please put your thinking caps on, and contact me by email, if you can offer any items, services or experiences for the auction.

Many thanks to those that have already come forward with Promises, however we are still looking for more offers.

ALRESFORD GOLF CLUB BRIDGE CLUB

As there have been so many new members at the Golf Club since the Bridge Club started it is thought that there might be some Bridge players amongst them or, indeed some other members who may have taken up Bridge in recent years, who are not aware that there is a Bridge Club.

The Bridge Club meets at the Golf Club on the last Tuesday of every month at 7.00pm and we end at 10.00pm. It is great fun and we welcome Bridge players of all standards, beginners included. It's a bargain at only £1.00 per person per evening.

If you would like to come along you need to have a playing partner and sign your names on the sign - up sheet in the foyer at the Club. Alternatively ring Viv or David on 01962 771008 or email vivpain@btinternet.com
